

Limited Lifetime Warranty

Your new Tradition instrument is warranted to be free from defects in materials and workmanship for the life of the original retail purchaser, subject to the limitations contained in this warranty.

If at any time this Tradition instrument malfunctions as a result of faulty materials or workmanship, Tradition will repair the defect or replace the instrument as it deems appropriate in its sole discretion. Tradition reserves the right to use materials regularly utilized at the time of the repair in the event that original materials are no longer available. If replacement of your instrument is deemed appropriate by our staff, Tradition will replace the instrument with one of the same or most similar style of a value not in excess of the original purchase price of your instrument.

Warranty Limitations

This warranty does not cover normal wear and tear or damage to the instrument caused by accident, abuse, misuse, or neglect. Unauthorized modifications or repairs will void this warranty if performed in such a way as to permanently render the guitar unable to be returned to factory specifications.

Items such as frets, strings, tuning hardware, nuts, saddles, fingerboards, bridges, pick guards, switches, pots, jacks, knobs, and finishes will wear out and require adjustment in normal use. Repairs and adjustments to these items will be considered normal and proper maintenance and will not be covered by this warranty.

Warranty Registration

The accompanying warranty registration form should be completed and returned to us, together with a copy of your sales receipt from an authorized Tradition Dealer, within 30 days of purchase. Failure to return the warranty card may not affect your rights under this warranty so long as you can produce documents to prove you are the original owner and the instrument was purchased from an authorized Tradition Dealer.
